# Agenda Item 4.2

## **Government Response: *The Curriculum and Assessment (Wales) Act 2021 (Transitional and Saving Provision) Regulations 2022***

### **Technical Scrutiny point: *Response***

The Welsh Government agrees with the reporting point. We do not consider people will be misled and believe that the reference to the “1996 Act” will be read as a reference to the Education Act 1996 which is referred to in full in the definition of “pupil” in the Regulations. We will correct the definition of “child” so as to substitute the reference to the “1996 Act” for the “Education Act 1996” at the earliest opportunity.

### **Merit Scrutiny point: *Response***

The phased commencement of provisions in the 2021 Act will be dealt with in a number of commencement orders in the normal way. The amendment made by the Regulations is designed to enable that to happen given that section 84(1) of the 2021 Act commenced Schedule 2 the day after Royal Assent.

25 February 2022

Dear Chairs,

I am writing further to my letter of 9 February 2022, and in accordance with the inter-institutional relations agreement, to report on the meeting between UK Government and the Devolved Governments.

The meeting was chaired by the COP President, Rt Hon Alok Sharma MP. Also in attendance were Northern Ireland Executive, Minister of Agriculture, Environment and Rural Affairs Edwin Poots MLA and Scottish Government, Cabinet Secretary for Net Zero, Energy and Transport Michael Matheson MSP.

The Ministerial group discussed their plans and priorities for the UK COP Presidency year and what opportunities there might be for aligning and coordinating action in advance of COP27.

Yours sincerely,
