Members noted the comparison of requirements in other legislatures, considered the paper and agreed:

- Matters of principle regarding explanatory memoranda for Bills, including the purpose and value of such memoranda and that all Bills introduced under SO 26 should be subject to the same explanatory memoranda requirements;
- To propose a change to Standing Orders to require that emergency Bills that the Senedd agrees may be introduced without an explanatory memorandum must nevertheless be accompanied by a justice impact assessment;
- To return to the outstanding issues raised in the paper (including whether to propose any additional requirements for inclusion in SO 26.6) at the meeting on 9 October 2025, once Members have consulted with their groups;
