7. Debate on the Sustainable Development Annual Report (60 mins)

NDM4813 Jane Hutt (Vale of Glamorgan)

To propose that the National Assembly for Wales:

Notes the progress made on sustainable development in 2010-11, as set out in the Welsh Government's Annual Report of the Sustainable Development Scheme, which was laid before the National Assembly for Wales on 22 September 2011.

A copy of the Report is available at:

The following amendments have been tabled:

Amendment 1 - William Graham (South Wales East)

Add new point at end of the motion:

Expresses concern that the Welsh Government has still not fully mainstreamed sustainable development in the way that it works and develops policy.

Amendment 2 - William Graham (South Wales East)

Add new point at end of the motion:

Believes that the Welsh Government must provide a better strategic vision of how sustainable development is embedded across individual strategies, policies and initiatives and how they combine to contribute towards measureable progress against the Sustainable Development Indicators.

Amendment 3 - William Graham (South Wales East)

Add new point at end of the motion:

Calls on the Welsh Government to bring forward urgent remedial actions to resolve the 22 Sustainable Development Indicators for 2011 that have deteriorated or shown

no improvement.

Amendment 4 - William Graham (South Wales East)

Add new point at end of the motion:

Calls on the Welsh Government to implement fully the recommendations made in the Annual Report by the Commissioner for Sustainable Futures and Cynnal Cymru.

Amendment 5 - Peter Black (South Wales West)

Add as new point at end of motion:

Notes that the document “Sustainable Development Indicators 2011” shows that the government has made progress on around half of its indicators but regrets that it shows that there has been a "clear deterioration" in indicators for greenhouse gas emissions and short-term changes in bird population.

“Sustainable Development Indicators 2011” can be accessed on the following link:

<http://wales.gov.uk/topics/statistics/headlines/sustaindev/110830/?lang=en>

Amendment 6 - Peter Black (South Wales West)

Add as new point at end of motion:

Believes that sustainable development must include the reduction of greenhouse gas emissions from domestic sources, and calls for an increase in capital funding available to tackle fuel poverty.

Amendment 7 - Peter Black (South Wales West)

Add as new point at end of motion:

Calls on the Government to commission an independent audit of its policies to promote sustainable development.

Amendment 8 - Peter Black (South Wales West)

Add as new point at end of motion:

Welcomes the progress made by local authorities towards recycling targets.
