

Consultation on the Curriculum and Assessment (Wales) Bill

Evidence submitted to the [Children, Young People and Education Committee](#) for Stage 1 scrutiny of the Curriculum and Assessment (Wales) Bill.

About you

Individual

1. The Bill's general principles

1.1 Do you support the principles of the [Curriculum and Assessment \(Wales\) Bill](#)?

No

1.2 Please outline your reasons for your answer to question 1.1

(we would be grateful if you could keep your answer to around 1500 words)

It has no opt out for parents in breach of parental rights and it is an open door for the sexualisation of our children.

1.3 Do you think there is a need for legislation to deliver what this Bill is trying to achieve?

(we would be grateful if you could keep your answer to around 500 words)

No need for the legislation I'm not entirely sure what this Bill intends other than the grooming of children to be sexual beings which is not acceptable.

2. The Bill's implementation

2.1 Do you have any comments about any potential barriers to implementing the Bill? If no, go to question 3.1

(we would be grateful if you could keep your answer to around 500 words)

There are a few groups working tirelessly against this legislation. The parents of Wales are likely to be your biggest barrier

2.2 Do you think the Bill takes account of these potential barriers?

(we would be grateful if you could keep your answer to around 500 words)

No I don't think you've considered the barriers at all, in fact the parents have been like the elephant in the room, I know of a few people the chair of the committee is refusing to engage with as they disagree with this legislation.

3. Unintended consequences

3.1 Do you think there are there any unintended consequences arising from the Bill? If no, go to question 4.1

(we would be grateful if you could keep your answer to around 500 words)

Yes, you will be basically legalising the sexualisation of children by teachers. If you cannot understand the issues with this then you are not equipped to even make this call.....

4. Financial implications

4.1 Do you have any comments on the financial implications of the Bill (as set out in Part 2 of the [Explanatory Memorandum](#))? If no, go to question 5.1

(we would be grateful if you could keep your answer to around 500 words)

-

5. Powers to make subordinate legislation

5.1 Do you have any comments on the appropriateness of the powers in the Bill for Welsh Ministers to make subordinate legislation (as set out in Chapter 5 of Part 1 of the [Explanatory Memorandum](#)). If no, go to question 6.1.

(we would be grateful if you could keep your answer to around 500 words)

This country is apparently a democracy, the power that the WAG has is granted by the people, you should be listening to us the people not enforcing legislation that is clearly inappropriate.

6. Other considerations

6.1 Do you have any other points you wish to raise about this Bill?

(we would be grateful if you could keep your answer to around 1000 words)

Yes I am horrified that the Welsh government is even considering this.
