Dear Janet,

Thank you for your letter of 5 August regarding petition P-05-964.

My officials have been looking into this as Welsh Government understands the situation and constraints that bank workers who have been asked to shield have found themselves in and we have asked Health Boards and Trusts to look again at the circumstances where this has resulted in an adverse impact and to consider whether any specific support can be provided. Therefore we are advising individuals to please contact the Health Board or Trust that they have undertaken bank work for to discuss their situation directly with them.

Yours sincerely,
