

Dafydd Elis-Thomas MS

Deputy Minister for Culture, Sport and Tourism

23 December 2020

Dear Dafydd,

Culture, Welsh Language and Communications Committee Legacy Report for the Fifth Senedd

As 2020 draws to a close, the Culture Welsh language and Communications Committee is preparing for 2021 and undertaking an audit of the work done by the Committee during the Fifth Senedd.

It has been a busy and productive time for both the Committee and the Welsh Government, particularly given the considerable challenges presented by the COVID-19 pandemic this year.

To aid the Committee in its consideration of Legacy issues, the Committee is eager to receive an update from Welsh Government concerning the progress made in respect of the recommendations in the following report:

Past and Present. Inquiry into the Historic Environment

Furthermore, the Committee would like to make you aware that it intends to recommend to the successor Committee that a revisiting of the issues raised within the following reports ought to be considered early in the Sixth Senedd:

Brexit, the arts sector, creative industries, heritage and the Welsh language

'Achieving the Ambition': Inquiry into the Welsh Government's new Welsh Language Strategy

The National Health Service (Welsh Language in Primary Care Services) (Miscellaneous Amendments) (Wales) Regulations 2019
