Dear Huw,

Thank you for your letter of 10 December regarding the points raised in the Legislation, Justice and Constitutional Affairs Committee's report in relation to the Education (European University Institute) (Wales) (Amendment) (EU Exit) Regulations 2021.

The first technical point raised in the report is in relation to an error in the Explanatory Note. We are seeking to correct this with the SI Registrar through a correction slip to the instrument.

The Welsh Government has made regulations to address the second technical point (the definition of a UK national) and the first merit point (the omission of paragraph 289D of the immigration rules in the definition of a protected partner) in the report. These regulations were laid on 19 January.

I trust the Committee will find this helpful.

Yours sincerely
