Dear Jack,

Thank you for your letter of 23 March regarding *Petition P-06-1271: Acquire the land from Network Rail on which ATR884 runs as a permissive path and arrange maintenance.*

This route in the Garw Valley is shown as an existing active travel route on Bridgend County Borough Council's (BCBC) draft active travel network map. The accompanying statement highlights several issues with the route. As the originator's main concern appears to be the maintenance of the route, I have asked my officials to contact BCBC to understand and discuss the maintenance arrangements and plans for improvements on this route.

Yours sincerely,

A handwritten signature in blue ink that reads "Julie James". The signature is written in a cursive, flowing style.
