21 October 2022

Dear Huw and Llyr,

This letter is to inform you that I have laid a Statutory Instrument Consent Memorandum in the Senedd in respect of the following UK Statutory Instrument:

**The Climate Change (Targeted Greenhouse Gases) Order 2022**

as required by Standing Order 30A (SO30A). The link to the Statutory Instrument Consent Memorandum can be found here:

<https://senedd.wales/media/24xj3wkn/sicm-ld15409-reg-e.pdf>

In addition, I wish to inform you that I am not minded to table a motion for a debate in plenary about this Statutory Instrument. I have reached this decision on the basis that with regard to nitrogen trifluoride the Order merely brings the UK statutory framework for greenhouse gas reduction into line with the Welsh framework established under the Environment (Wales) Act 2016. SO30A provides that any Member of the Senedd may table a motion for a debate on this Statutory Instrument. However, I will not be seeking to initiate such a debate.

Yours sincerely,

**Julie James AS/MS**
