Background

These Regulations are proposed to be made by the UK Government under section 8(1) of, and paragraph 21 of Schedule 7 to, the European Union (Withdrawal) Act 2018

Summary

These Regulations transfer new functions from the European Commission to the Welsh Ministers. The transfer of these functions was omitted in error by an earlier EU Exit SI. The functions will be re-instated and recast as functions of the 'appropriate authority'. The appropriate authority in relation to Wales is the Welsh Ministers.

These Regulations also make corrections to provisions of retained direct EU legislation in devolved areas in relation to which functions, so far as

exercisable in relation to Wales, were transferred to Welsh Ministers under previous EU Exit SIs.

These Regulations also make amendments to retained direct EU legislation in the areas of food and feed hygiene and safety for the purpose of rectifying legal deficiencies and ensuring the continued operability of that legislation post Implementation Period
