Sir

I am totally against this idea, currently the Senedd does not listen to its constituents, increasing the numbers just causes more issues in managing bills etc. The anticipated costs could be better spent on Health, Education etc.

It would mean that there are smaller groups of people theoretically represented by others who do not take their views into consideration.

We are a small nation where an Elite few think they know better than those that elected them.

I would personally do away with the assembly

Regards

Gerald Black
