SCME20 Ymateb gan: | Response from: Robert Jones

Dear Sir/Madam,

I wish to point out that there is absolutely no public support for spending countless millions of our hard-earned money to have an extra 36 Senedd members.

Whilst proportional representation could be a good idea (hasn't worked for Italy for example, with week governments and elections every six months)

Spending on extra politicians will be a crime against the people of Wales.

Kind Regards

Robert Jones
