SCME22 Ymateb gan: | Response from: A Graham

I think this is a total outrage to increase the size of the senedd to 96 if anything there should be a people's referendum on this, as it is the Welsh tax payers who will have to fund this obscenity.

I also think the electoral system should not be changed, again a people's referendum should be making this decision not the senedd making up their own rules to suit their agenda.
