SCME26 Ymateb gan: | Response from: Terina Thomas

Dear Mr Drakeford and members,

I am born and have lived in Wales all of my life. I love this country and the people.

I am passionate about it.

I have worked hard as a teacher and Headteacher for the last 22 years. I am happy to pay my taxes to help run this country.

I am not in agreement for our money to employ more members and to have these regional groups. I would like to have 1 member representing our area.

Please do not waste our money on this scheme, our NHS and Social Services, need our money and your support.

People are dying and suffering with delays for treatment and support in their homes. Their families are suffering, mentally, due to the systems.

Please employ experts to come in and help support and reform our NHS and Social Care.

I have never seen our school system, work so hard to support children and families. The new reforms, in my opinion are a great success. Please do something similar with the NHS and Social Care. Use the money to do this.

Kind Regards

Terina Thomas
