SCME28 Ymateb gan: | Response from: Jan Adkins

Dear Senedd

Please let it be noted that as a Welsh and Gower constituent I wish to oppose this bill.

At a time when many people are struggling to pay their bills I feel there is no need to expand the Senedd and increase the current budget to approximately another 18 million per year.

The Senedd should be prioritising funds to spend on the dire, declining services the Welsh NHS currently provides (which from personal experiences I can assure you).

Also, unless you look up the Senedd website this new bill has not been well advertised, and I feel that it should have been better promoted for all to see as not every Welsh constituent is online.

Kindly note my response to this bill and the lack of public awareness of this proposal.

Yours sincerely
Jan Adkins
