**SCME61 Ymateb gan: | Response from: Marilyn Forster**

---

I would like to express my view that I vehemently disagree with the proposal to increase the number of members of the Senedd! As a current member of the Labour Party (not for long) I am utterly appalled at the way the current Labour government have ridden roughshod over public opinion. I am a resident of north east Wales and truly wonder if the Senedd knows that north east Wales exists!

We have, little or no public transport, the NHS is on its knees but hey why don't we waste even more money, after the 20mph costs, and increase numbers in the Senedd, I mean what else could we possibly spend money on!!

I am ashamed to be a member of the Labour Party and never thought I would say that.
