SCME75 Ymateb gan: | Response from: Tracey Shilling

How the money spent on this amount of extra assembly members can be justified I really don't know .

In times when the public are struggling to put food on the table , the NHS Wales being worst performing ,the amount of business Wales will lose due to 20mph and the education system abysmal how can this go ahead .

Are you aware nurses have to attend training on their days off UNPAID have to stay hour after shift ends weekly UNPAID . Justify the extra members bearing that in mind !

Please don't say it was in the manifesto and public voted Are Labour that arrogant they think every voter reads the manifesto??? It's a joke to say so .

Please don't say it's the UK gov fault Wales is in this position , the amount of money this Welsh gov has WASTED is criminal .

What's happened to the money the UK gov gave for free childcare for two year old as is happening in England ??? Is this paying for the new assembly members ????

I oppose this extra members nonsense .
