SCME76 Ymateb gan: | Response from: Gareth Morris

I wish to object to more members in the senedd reform.

We have hugely increased the debt in Wales and in my view taken a wrong stance on how we spend public moneys. We have ambulances and hospitals in need of extra finance, rds that is in need of repair, we have lack of investment in the business sector etc, etc. We don't need to be spending more on reform to the senedd. Reform wales to a profitable place, a place for tourism, most importantly a place that has a great health authority, dentists more doctors, more ambulances and drivers and paramedics.. these thing matter far more to all of wales. Not more members in the senedd.

Yours truly

G.morris.
