SCME81 Ymateb gan: | Response from: Andrew Wood

I am against this as it will cost the country money. All councils in England or cutting there members due to saving money and Wales is increasing. This does not look good to your residents to increase members at a time when the senedd is in financial difficulties with a around 90 million deficit and your cutting service to NHS and others but wanting to increase members which will cost more money we do not have

As an elected senedd you cannot really justify this again as I said while your cutting all other service. At a time when you want people to have confidence in you and you look to do this.

I know you will not listen to your residents but this is suicide if you vote for this.
