SCME99 Ymateb gan: | Response from: Christina Davies

To whom it concerns,

I am proud to be Welsh, but Wales is dying because money is being wasted by the Welsh Government on pointless and dead-end projects, like 20mph limits, Cardiff Airport, M4 relief road consults that come to NOTHING and buying a multi-million pound farm under the guise its for The Green Man, when its so clearly NOT. Meanwhile our hospitals, primary health care, emergency services are barely holding on by a thread.

You wasted tens of millions on 20mph, instead of investing in improving public transport.. instead you're cutting that making it impossible for those of us living in the valleys to get where we need to be.

We don't need more Out-of-touch AMs or MPs taking big salaries and claiming ridiculous expenses. We need more doctors and nurses. We need GPs who actually give face-to-face appointments for those of us with medical conditions that need some continuity if care.

Wales has become a shambles. A joke!

The sennedd is a waste of money and the biggest mistake Wales ever made.

Give us a vote to end Devolution. We don't want you screwing up our country anymore!

Sincerely

Christina Davies
Pontardawe
