To whom it may concern,

I do not support the reform of the senedd and do not wish anymore assembly members .

It is a complete and utter waste of money when the NHS in wales is currently in crisis and money has been wasted by the 1st minister on the roll out of the 20mph throughout wales at the cost of millions that could of been put to much better use.

The people of wales are currently struggling with the cost of living crisis and also being railroaded by the senedd and welsh government to proposal's of wind farms in communities which are already overloaded with turbines !!

I do not agree at all

Regards

Miss Williams
