SCME268 Ymateb gan: | Response from: Andrew Trewin

The Senedd has shown over the last few months that it does not listen to the people it represents. Both Mr Drakeford and Lee Waters have pushed ahead recently with a scheme which has squandered millions of tax payers money and has caused chaos on the roads of Wales.

The Senedd does not work with the best interests of Wales at its heart, never have the people of Wales been asked or included in decision making and non of the Senedd listen to the voting public.....the Senedd is not fit for purpose and should be abolished.....Mark Drakeford and Lee Waters should step down and resign immediately.

Yours sincerely,

Andrew Trewin
