**SCME275 Ymateb gan: | Response from: Alan Williams**

---

I object to the yet more waste of my money by increasing the number of AM's in the Assembly.

I believe that an increase in an already increasingly unpopular Assembly Members will cause deep unrest and lead to civil disobedience.

Although I don't think the Assembly in its present form functions properly, it is not due to the number of members.

I am over 18 of sound mind and do not represent any organisation.

I do not object to my name being made public.

Please do not increase the number of AS's we have to many asses already. Instead increase the number of Doctors in the Welsh Hospitals

Alan Williams
