SCME278 Ymateb gan: | Response from: David

The additional cost is not a fair balance for the benefits.

If passed it will serve those opposed to the existence of the Senedd further scope to increase calls for it to be abolished.

Wales has a population of around 2m, this reform cannot be justified on the basis of it represents overkill.

If it's not broken as the saying goes...

Thank you for this opportunity.

David
