SCME313 Ymateb gan: | Response from: Hillion Fern

I would like to declare my total objection to the addition of more Senedd members.

How on earth this is even being considered defies logic. Wales has a huge deficit and cannot support more on the gravy train.

Those now present must pull their weight and get this country out of the dire straights it finds its in.

Our NHS ,Ambulance service, Fire service crumbling roads and dire Education need more, NOT more Senedd members.

If the present members cannot do the job they have been elected to do then they are in the wrong job and need to GOand quickly.

Hillion Fern
