No, no and no to more members.

You had the chance from 1999 onwards to show the rest of the UK how well Wales could be run. You have failed miserably on all counts and have treated the people and country of Wales with utter contempt.

We are at the bottom of the table with education; the devolved Welsh NHS has been decimated; our infrastructure is falling apart and public services are being reduced. You have wasted many millions on useless vanity projects - the airport, the Newport bypass fiasco, Circuit of Wales- to name but a few.

What you are planning for motorists is criminal. We know that the 20 mph is just a smokescreen for future raids on motorists' pockets and freedoms.

And to cap it all, you are planning a tourist tax that will decimate the industry.

You have disregarded Common Law and the Magna Carta that protects our rights and freedom from tyrannical rule in Wales and the rest of the UK .

We need leaders who have our - and Wales - best interests at heart; something that we will certainly not get from the current incumbents.

So no - we do NOT need more who offer only doom, gloom and despair.

Jo & Dave Clutterbuck
