**SCME413 Ymateb gan: | Response from: Marilyn Crook**

---

I strongly disagree with any more members being elected to the Senedd due to the financial situation in Wales at the moment. We cannot afford any more, their proposed wages should be used to help the Welsh NHS or repair some of our roads.

Millions were spent unnecessarily on the ridiculous blanket 20MPH speed limit. The cost of road signs and road markings for this ludicrous scheme would have been better spent on the NHS especially considering the Welsh Government is overspent by millions. Outside schools and hospitals at specified times would have been the correct way to go but it is obvious that the whole point of this 24/7 speed limit and the reduction on some roads from 40 to 30 is designed to take cars off the roads.

Regards

Marilyn Crook
