**What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?**

It is a total waste of time and I disagree with it totally. The voting system should not be changed and the size of the Senedd should also remain the same. Longer term, I would be strongly in favour of disbanding the Senedd totally and restoring Government from Westminster. It is a total waste of money and has resulted in the Welsh economy being run into the ground.

**What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?**

Rubbish.

**Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?**

Yes. The will of the people should be taken into account. Not ignored. This is a very unpopular policy.

**Are any unintended consequences likely to arise from the Bill?**

More money wasted.

**What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?**

Inadequate.

**What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?**

No.

**Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?**

No.

**Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?**

Yes. It is a very poor Bill and should be scrapped.

**Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?**

It is a total waste of tax payer's money, not necessary and should be scrapped.

**Anything else?**

Close the Senedd down. It has achieved nothing except the persecution of its citizens and costs hundreds on millions to run.
