Ymateb gan Nick Seal | Evidence from Nick Seal

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

Absolute nonsense, why? Pick the best people for the job out of the TWO, repeat TWO genders, Male or Female. If someone is unable to apply within this criteria they are

Ineligible for employment.

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

Presumably draconian and full on woke. JUST MEND THE POTHLES IN THE ROADS

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Yes, the Senedd will be hopefully be disbanded before this sees the light of day.

Are any unintended consequences likely to arise from the Bill?

It will mean the Sennedd May will be filled with people who are in there, 'to make up the numbers', whether qualified for the job or not, ludicrous, like women only shortlists, another failed Labour scheme.

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

I couldn't care as they do not have the intellect to carry out a risk/reward analysis, see the Covid fiasco

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

No, they should not be making ANY legislation, they do not have the band width - Mend the Potholes In The Roads !!

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

Yes, we should get the hell out of it, FRANCE ignored the ECHR, so should Wales

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Yes, stop carrying out POINTLESS consultations as you ignore them anyway

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Anything else?

MEND THE POTHOLES AND NO INCREASE IN THE SIZE OF THE GRAVY TRAIN/SENEDD
