Bil Senedd Cymru (Rhestrau Ymgeiswyr Etholiadol) | Senedd Cymru (Electoral Candidate Lists) Bill

Ymateb gan Unigolyn | Evidence from Individual

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

There is no evidence that equal gender representation would make for a more effective senedd workplace and it is discriminatory against men.

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

None. As the implementation of the bill is just preposterous virtue signalling in the first place.

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

It is discriminatory and not a merit based approach.

Are any unintended consequences likely to arise from the Bill?

You are going to annoy 50% of the population.

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

They are accustomed to wasting money. This is just another example.

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

No views.

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

No

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

No

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Put this bill in the same bin as the 20 mph speed limit.

Anything else?
