Ymateb gan Tessa Finch | Evidence from Tessa Finch

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

Unlawful, pointless & directly discriminatory against women, as allowing men to be treated as women.

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

Ridiculous

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Legal, and the associated waste of public money.

Are any unintended consequences likely to arise from the Bill?

Harms women.

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

Crap

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

No.

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

Clearly incompetent to even propose this rubbish. Especially that men be accepted as women. "Trans women" ARE MEN.

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Crap

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Anything else?

Gender self-ID by the back door. A direct attack on the rights of women to safety, privacy, dignity and opportunity. How much public money has been wasted on this already? I dread to think. In fact I will be proposing a FOI request, so you might want to consider that before splurging more funds on this. Welsh Govt are one of the, if not the, biggest funders of the lobby group Stonewall already. 🇨🇪
