Ymateb gan David Nicholson | Evidence from David Nicholson

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

Unnecessary nonsense.

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

Shouldn't be needed.

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Common sense!

Are any unintended consequences likely to arise from the Bill?

Less able people in responsible positions.

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

Waste of time and money.

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

Not necessary.

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

No.

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Another example of political correctness with no purpose or benefit.

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

No.

Anything else?

No.
