Ymateb gan Unigolyn | Evidence from Individual

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

Experience, policy platform, and the actual Candidate itself should matter more than gender. It should not be up to the Government to dictate what Candidates get put forward. Frankly its undemocratic

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

The bill basically says theres no point in this bill at all as you won't prove whos a woman and whos not whats to stop a man from just saying he is a woman to get around this absurd quota? Nothing

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Are any unintended consequences likely to arise from the Bill?

Discrimination, unfairness and a negative imapct on the overall democratic process

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Anything else?
