**What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?**

It need to be by sex

Biological born women and Biological born men, otherwise you just have men and men who think they are women.

**What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?**

So I can just say I am a women and that enough?

That isn't enough, if it's 50/50 then it needs to be by biology, not gender.

Better safe guarding needs to be in place to insure that SEX is taken into account.

**Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?**

Yes biological women will be excluded

**Are any unintended consequences likely to arise from the Bill?**

Yes biological women will be excluded

**What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?**

**What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?**

**Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?**

**Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?**

**Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?**

**Anything else?**

Biological women matter
