Ymateb gan Neil Roberts | Evidence from Neil Roberts

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

It should be the best person for the job regardless of gender. I also think the sennedd should be abolished

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

The Welsh Government should remember you serve us and most of us have had enough of your diktats

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Why not concentrate on improving the NHS

Are any unintended consequences likely to arise from the Bill?

Hopefully you will all be out of a job soon

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

Waste of money like other pet projects

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

You shouldn't have any powers

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

[redacted - inappropriate personal insult towards named member of the Welsh Government]

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Stop dictating you are elected to serve

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Waste of time and money

Anything else?

You are all mental
