Ymateb gan Unigolyn | Evidence from Individual

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

No, gender is ideological nonsense and has no place in civil or legal society.

It is an also a severe infringement on women's rights and a huge safeguarding concern for children and young adults.

See Cass Report

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

This a democracy, free speech has to remain.

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Are any unintended consequences likely to arise from the Bill?
