Ymateb gan Unigolyn | Evidence from Individual

What are your views on the general principles of the Bill and the need for legislation to deliver the Welsh Government's stated policy objective (to make the Senedd a more effective legislature by ensuring it is broadly representative of the gender make-up of the population)?

This is disgusting, the gender make up has nothing to do with public service. It should be done on who is best for the job not what body parts you have. The very essence of discrimination.

What are your views on the system of enforcement and potential sanctions for non-compliance proposed in the Bill?

No use for any "new roles" whatsoever. Where's the men's ministers oh haven't got one so why do we need one for women that is also discriminate.

Are there any potential barriers to the implementation of the Bill's provisions? If so, what are they, and are they adequately taken into account in the Bill and the accompanying Explanatory Memorandum and Regulatory Impact Assessment?

Discrimination

Are any unintended consequences likely to arise from the Bill?

Discrimination.

What are your views on the Welsh Government's assessment of the financial and other impacts of the Bill?

Biased and discrimination.

What are your views on the balance between the information contained on the face of the Bill and what is left to subordinate legislation? Are the powers for Welsh Ministers to make subordinate legislation appropriate?

No

Do you have any views on matters relating to the legislative competence of the Senedd including compatibility with the European Convention on Human Rights?

Discrimination. Reverse discrimination is still discrimination please see the convention on human rights ALL humans.

Do you have any views on matters related to the quality of the legislation, or to the constitutional or other implications of the Bill?

Piss poor.

Are there any other issues that you would like to raise about the Bill and the accompanying Explanatory Memorandum or any related matters?

Yes many but you wouldn't like my answers 😊

Anything else?

Yes. You are discriminating against men this does not mean you can reverse the roles and the word changes. Just like Racism which you have been towards white people specifically MEN. None of you are Not fit for purpose. Thank you.
