Dear Senedd

Please register my views regarding having extra senedd members.

- 1) No increase in number of Senedd Members;
- 2) No electoral system with votes only for list Parties instead of named People - candidates must be identified;
- 3) Candidates should not be made to declare their sex;
- 4) Senedd Members should retire at 65 yrs or the first election after reaching 65 yrs;
- 5) The Senedd should adapt a "recall system" , as practised at Westminster, where the constituency electorate could petition to have a code of conduct breaking or law breaking sitting member dismissed from office.

These were top of my list of ten.

Regards

Robert Morgan
