Dear Eluned

Gynaecological cancers

During the debate on the Committee's report on gynaecological cancers on 15 May, you said that you will be holding a national summit in July to focus NHS attention on gynaecological services, including cancer.

The Committee would welcome an update from you on the outcome of this summit, including an indication of whether you intend to publish details of the summit along with any decisions or actions.

Yours sincerely

Russell George MS
Chair, Health and Social Care Committee
