10 September 2024

Dear Llŷr,

I am writing to inform you that my officials have been working in partnership with the UK Government on developing the Water (Special Measures) Bill. As you may know, the Bill was introduced into Parliament on 4 September 2024, please see attached together with the Explanatory Notes. The policy statement which accompanies the Bill is available at [Water \(Special Measures\) Bill: policy statement - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/policies/water-special-measures-bill).

The Bill was announced in the King's Speech on 17 July and reflects the UK Labour Government's manifesto commitment. The Bill demonstrates early action to improve water quality, which is a matter of great public concern. It addresses the perceived widespread failures by the water sector in addressing pollution caused by sewage discharges and aging infrastructure.

The Bill's provisions relate to the devolved matter of water industry and reserved matter of insolvency. I have agreed that some of the Bill's clauses will apply to Wales and sought equivalent powers for the Welsh Ministers to those of the Secretary of State. I believe this legislation will deliver positive changes and support the enforcement of regulatory requirements in the water sector, improving water company performance in Wales.

Following the laying of the Bill in Parliament, I am proposing to start the legislative consent process and support a legislative consent motion in the Senedd.

As the Bill has been developed at pace, my officials and I will continue to scrutinise the proposed measures and consider all the potential impacts for Wales throughout the Parliamentary process.
