Welsh Government

22 October 2024

Dear Iain,

### **Joint Senedd Committee visit to the Welsh Government Dublin office**

I write on behalf of the Senedd delegation which you recently hosted in Dublin to thank you and your colleagues for supporting our recent visit. As Members, we truly appreciated the update you gave us about the Welsh Government's recent work in supporting investment, trade and cultural links between the Welsh and Irish nations, promoting Welsh arts, encouraging cooperation between universities, and promoting Welsh businesses in Ireland.

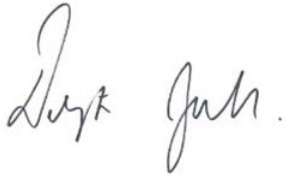

We were also very grateful to you for arranging our meetings with those involved in the Greenlink Interconnector, the British Irish Chamber of Commerce, and MaresConnect. The meetings and presentations were both informative and engaging, and what we heard was useful for us to consider as part our work in developing Wales-Ireland relations. We are truly grateful to you for hosting and facilitating these meetings. I would be grateful if you would please pass on our thanks to the organisations for their presentations and their time.

I have copied this letter to Paul Davies MS, Chair of the Economy, Trade and Rural Affairs Committee, and Llyr Gruffydd MS, Chair of the Climate Change, Environment, and Infrastructure Committee as their Committees were represented on this visit.

**Senedd Cymru  
Welsh Parliament**

Yours sincerely, a gyda diolch,

Delyth Jewell MS  
Committee Chair

We welcome correspondence in Welsh or English
