Dear Mike,

Further to your letter of 28 November 2024 regarding the Welsh Government's response to the Legislation, Justice and Constitution Committee's report on the Nutrition and Health Claims (Wales) (Amendment) Regulations 2024, I can confirm that following discussions with the SI Registrar that the correction to Technical Point 3 would be correctable via a correction slip as it is a typographical cross-referencing error, whilst it was felt that the corrections required for technical points 2 and 6 were not sufficiently obvious to be considered to be correctable via a correction slip.

To rectify the errors, the Welsh Government will now prepare further amending regulations to be laid early in the new year to correct all three points within one Statutory Instrument to aid in the accessibility of the law.

Yours sincerely,

**Sarah Murphy AS/MS**
