Pwnc | Subject: Standing Order Thresholds: Future Senedd Committee

Annwyl David Rees,

I am writing to you in your capacity as the Chair of the Future Senedd Committee regarding the size of party groups in what would be the seventh Senedd.

I firmly believe that in the next Senedd a group should be able to be formed when a party makes up 5% of the members of the Senedd. This change would better reflect the representation of smaller parties and ensuring that diverse voices are adequately represented in our legislative process.

Thank you for your time and attention to this matter. I look forward to receiving your reply.

Yn gywir,
