

P-06-1400 Fair and Adequate Resourcing of General Practice in Wales

This petition was submitted by Lewis Williams, having collected a total of 21,620 signatures.

Text of Petition:

General Practice in Wales is under significant and growing strain. GP numbers are declining, demand is rising, and practices are struggling to recruit and retain staff.

General practice is being forced to try and cope with inadequate resources, an unsustainable workload, and a workforce under pressure across the whole of Wales, with some areas in crisis..

Additional Information:

Current inadequate capacity is a product of longstanding workload, workforce, and well-being issues, which correlate to the chronic underfunding of general medical services.

BMA Cymru Wales's Save Our Surgeries campaign asks Welsh Government to commit to a rescue package for General Practice, to provide GPs and their patients with the support they need.

By taking one minute to sign this petition, you can amplify our calls for the Welsh Government to provide a rescue package for General Practice.
