Dear Jane,

**Social Cohesion Inquiry**

During an evidence session on democratic health the 28 April, reference was made to the annual £400,000 Democratic Engagement Grant available to improve democratic engagement.

Members would appreciate further information on which organisations and projects have previously received grants, how their work was evaluated, reported and shared in order to learn and improve democratic engagement across Wales.

We look forward to hearing from you and would appreciate if you could provide a response prior to appearing before Committee on 12 May.

Yours sincerely,

**Jenny Rathbone MS**

Chair, Equality and Social Justice Committee
