Dear Llŷr,

I refer to my letter to you of 6 May 2025. I wish to inform the Committee I have given my consent to the Secretary of State to make the Phytosanitary Conditions (Amendment) Regulations 2025 ('the Regulations'). I have laid a Written Statement which can be found [here](#).

The Regulations apply to Wales, England and Scotland. The Regulations are subject to the negative procedure and were laid before Parliament on 8 May 2025 with a commencement date of 30 May 2025.

Although the Welsh Government's general principle is the law relating to devolved matters should be made by the Welsh Ministers, on this occasion it was considered appropriate for the Regulations to be made by the Secretary of State. The Regulations relate to a devolved area, however, they impact on the biosecurity of Great Britain which has traditionally been approached as a joint concern. Great Britain is an island and plant pests and diseases have no respect for the borders between countries. Much of the Regulations relate to the importation of plants and plant products. Most of these goods which enter Wales come through English ports. Introducing separate regulations in Wales, England and Scotland would risk divergence on matters of biosecurity on which policy is aligned, may hamper enforcement by cross border bodies and place an additional burden on the Animal and Plant Health Agency (which enforces plant health across Wales and England) and businesses. Where policy is aligned, legislating on a Great Britain basis assists those stakeholders who must comply with the requirements within the legislation to maintain our biosecurity.

Rydym yn croesawu derbyn gohebiaeth yn Gymraeg. Byddwn yn ateb gohebiaeth a dderbynnir yn Gymraeg yn Gymraeg ac ni fydd gohebu yn Gymraeg yn arwain at oedi.

We welcome receiving correspondence in Welsh. Any correspondence received in Welsh will be answered in Welsh and corresponding in Welsh will not lead to a delay in responding.

There is no policy divergence between the Welsh and UK Government in this matter and the Regulations amend legislation that was not made bilingually.

I have written similarly the Chair of the Legislation, Justice and Constitution Committee.

Yours sincerely,
