Dear Peter,

Petition P-06-1242 Improve Endometriosis Healthcare in Wales

The Petitions Committee met on 28 April and considered the above petition, submitted by Beth Hales.

The Committee noted that the Women's Health Plan includes endometriosis as a significant priority but it is too early to consider the Plan's impact. The Committee therefore agreed to refer the latest updates from the Minister and the petitioner to you, noting that this was an important issue for future Senedd scrutiny, and one to consider for legacy reporting for the Seventh Senedd.

On that basis Members also agreed to thank the petitioner and close the petition.

The full details of the Committee's consideration of the petition, including the correspondence and the actions agreed by the Committee can be found here: [P-06-1242 Improve Endometriosis Healthcare in Wales](#)

I would be grateful if you could send any response by e-mail to the clerking team at petitions@senedd.wales.

Yours sincerely
