GP23 : Ymateb gan: Comisiwn Cydraddoldeb a Hawliau Dynol | Response from:
Equality and Human Rights Commission

Hello,

I am writing in relation to the Health and Social Care Committee's current inquiry on the future of GP practices in Wales.

We would like to draw the attention of the Health and Social Care Committee to a recent EHRC publication on how GP practices can comply with the Public Sector Equality Duty (PSED) when they are delivering public services, which can be found at the following link: <https://www.equalityhumanrights.com/guidance/how-gp-practices-can-comply-psed>. The guide has been circulated to key stakeholders in the Welsh NHS Confederation, BMA Cymru and NHS Wales executive.

This guide sets out when the PSED applies and other important information to help GP practices advance and promote equality. The information and principles in this guide are relevant to all the topic areas outlined the Committee's current inquiry on the future of GP practices in Wales.

Kind regards,

Ginger
