Dear Hannah

Regulation and Declaration of interest Inquiry

Thank you for your recent letter. You are seeking my views as accounting officer about the above.

I do not see any problem, from my perspective, with the proposals. I note, of course, that Members will ultimately need to take a decision as to the matters set out in your proposal. Anything which improves clarity and transparency for Members, and removes redundant provisions, is to be welcomed.

I am happy to confirm, therefore, that I have no specific comments to provide. I am grateful to you for consulting me and I look forward to the outcome of this piece of work.

Yours sincerely,

Manon Antoniazzi
