### Petitions Committee

Peter Fox MS,  
Chair, Health and Social Care Committee

23 October 2025

Dear Peter,

**Petition P-06-1544 Take urgent action to improve the NHS in West Wales, and address the crisis at Glangwili hospital**

The Petitions Committee met on 6 October and considered the above petition, submitted by Christine Castle.

Members noted that this petition and the issues raised in it were linked to two other petitions considered at the same meeting - [P-06-1543 Keep weekend opening at Cardigan minor injuries unit](#) and [P-06-1538 Protect full stroke services at Bronglais Hospital; prevent downgrade to Treat and Transfer](#) - and that the health board was being scrutinised by the Health and Social Care Committee. It was therefore agreed to write to you as Chair of the Committee to highlight this petition, and to also write to the health board with the concerns raised by the petitioner.

The petition will be kept open pending the health board's response, however Members also noted that there was not much further the Petitions Committee could take the petition beyond that, as it is a matter for the Health and Social Care Committee and local Members to scrutinise and ask questions of the health board.

The full details of the Committee's consideration of the petition, including the correspondence and the actions agreed by the Committee can be found here: [P-06-1544 Take urgent action to improve the NHS in West Wales, and address the crisis at Glangwili hospital](#)

I would be grateful if you could send any response by e-mail to the clerking team at [petitions@senedd.wales](mailto:petitions@senedd.wales).

Yours sincerely

Carolyn Thomas MS  
Chair
